Waiomu Kauri Grove Walk Coromandel

Topo50 Maps: BB34 Thames & BB35 Hikuai

How to get to START: As this is well outside the Taupo area the first step is to get up to the southern end of the Coromandel aiming for Thames. Places for a possible stop-over include the Te Puru or the Dickson Holiday Parks both of which are easily located by driving up the coast road from Thames towards Te Puru.
